Certain important terms applicable to Online Banking, unless otherwise defined in this Agreement, are set out in the **DEFINITIONS** section at the end of this Agreement.

ADMINISTRATORS AND AUTHORIZED USERS

You must designate an Administrator as part of the Online Banking set-up and enrollment process. You are solely responsible for designating your Administrator.

Where permitted by the Service, the Administrator may designate other Administrators and/or Authorized Users. Notwithstanding the foregoing, we recommend, as an additional security procedure, that you designate only one Administrator at a time. You accept as your sole responsibility the Administrator's designation of other Administrators and Authorized Users.

You understand that the Administrator will control, and you authorize the Administrator to control, access by other Administrators and Authorized Users of Online Banking by issuing Login IDs and passwords. The Administrator(s) may add, change or terminate your Authorized User(s) or de-activate a Login ID and password from time to time and in his/her sole discretion. We do not control access by any of your Authorized Users to any part or feature of Online Banking.

You will require each Administrator and each Authorized User to review and comply with all provisions of the Agreement. You acknowledge and agree that you are fully responsible for the failure of any Administrator or any Authorized User to so comply. You are responsible for any payment, transfer and other use of Online Banking and any charges incurred by any Administrator and any Authorized User, even if such Administrator or Authorized User exceeds his/her authorization as established by you.

If an Authorized User authorizes other persons/entities to use the Authorized User's Login ID, password and Security Procedures in any manner, such authorization will be considered unlimited in amount and manner until you have changed the subject Authorized User's Security Procedures. INTERNAL TRANSFERS

A. Types of Internal Transfers

Internal Transfers (transfers between your eligible Accounts with us) may be processed as follows:

One-Time Transfers.

- (i) One-time transfers and payments are used for transfers and payments between eligible Accounts which occur on an infrequent or irregular basis, or which vary in amount. To have a transfer processed on the same Business Day, we must receive your instructions before the Cut-Off time displayed in Online Banking and/or as otherwise set forth in this Agreement. You must have sufficient Available Funds (either in the Account or via an overdraft line of credit) on the day and at the time you request a same-day one-time transfer. Same-day one-time transfers may not be cancelled for any reason once the transaction has been approved.
- (ii) You may also request that a transfer be made on a future date that you may designate which is in advance of the Scheduled Initiation Date. The "Scheduled Initiation Date" will be the effective date you enter, or the next Business Day should the effective date fall on a weekend or holiday. If you request a transfer for a future date, we process the transaction at the opening of business on that day only if it is a Business Day; otherwise, the transaction will be processed on the following Business Day. If we receive your instruction after the end of a Business Day, we will process the transaction on our next Business Day.
- (iii) If you designate an Internal Transfer for a future date, you must have sufficient Available Funds by midnight of the night before the Scheduled Initiation Date; however, funds will be deducted from

your designated Account on the Scheduled Initiation Date. Scheduled future Internal Transfers may be cancelled up to the Cut-Off Time displayed in Online Banking in advance of the Scheduled Initiation Date.

Recurring Transfers. If you designate an Internal Transfer as a recurring transfer, you may request, and we will use, a Scheduled Initiation Date that re-occurs on a specified regular basis (e.g., weekly, semi-monthly, monthly, etc.). You will designate a “start date” and may also designate an “end” date. You must have sufficient Available Funds by midnight of the night before the Scheduled Initiation Date; however, funds will be deducted from your designated Account on the Scheduled Initiation Date. Recurring transfers may be cancelled up to the Cut-Off Time displayed in Online Banking in advance of the Scheduled Initiation Date.

Limits on Internal Transfers. In addition to the Available Funds requirements and other limits described above and in this Agreement generally, please see the applicable Deposit Account Agreement for a more detailed description of limits on Internal Transfers.

B. Internal Transfers Set-Up

Funds Availability. You must make Internal Transfers by the Cut-Off Time displayed in Online Banking for those funds to be posted on an Account on the same Business Day and to be available for non-Online Banking Service transactions. Internal Transfers designated as same-day one-time transfers made after the established funds transfer Cut-Off Time displayed in Online Banking on a Business Day or on a weekend or holiday will be available for the payment of non- Online Banking Service transactions on the following Business Day.

C. Cancelling or Modifying Internal Transfers

In order to cancel or change a scheduled transaction that is a future-dated or a recurring Internal Transfer, you may use Online Banking or the Mobile Banking Service and follow the instructions provided to you, all in accordance with the Service’s deadlines for cancellation or modification as described therein. You may also contact the Customer Information Center during regular business hours for assistance on the Business Day before the Scheduled Initiation Date.

D. Internal Transfers and Available Funds

You agree to have Available Funds on deposit in the Account you have designated in amounts sufficient to pay for all Internal Transfers requested, as well as any other payment obligations you have to us. If Internal Transfers process against any uncollected deposit, uncollected balance or otherwise insufficient Available Funds in your Account, YOUR ACCOUNT WILL BE ASSESSED AND CHARGED THE APPROPRIATE OVERDRAFT, UNCOLLECTED OR RETURNED ITEM INSUFFICIENT CHARGE. See our current Fee Schedule for the current amounts of these charges. We reserve the right, without liability, to reject or reverse an Internal Transfer, as applicable, if you fail to comply with this requirement or any other terms of this Agreement.

If you do not have sufficient Available Funds in your designated Account and we have not exercised our right to reverse or reject an Internal Transfer, as applicable, you agree to pay for such payment obligations on demand. You further agree that we may, at our option, charge any of your Accounts with us to cover such payment obligations.

BILL PAYMENT SERVICE

You may use our Bill Payment Service to direct us and/or our Service Provider to make payments from the Funding Account to the Payee(s) that you choose in accordance with this Agreement.

A. Service Guarantee

The Service Provider will bear responsibility for any late payment related charges up to \$50.00 should a Payment post after the Scheduled Payment Due Date or Deliver By Date, provided that the Payment was scheduled and the Payee information was maintained in accordance with the terms and conditions described within this section. Notwithstanding the foregoing, the Service Provider shall not be responsible for any such charges if the Service Provider does not have responsibility or liability for a Payment transaction, late payments, or late payment related charges under the other provisions of this section, including those payments described under the Exception Payments sub-section below.

B. Transaction Responsibilities

The Service Provider shall use commercially reasonable efforts to process the Scheduled Payments in accordance with your instructions. Except where Applicable Law requires or provides otherwise, neither we nor the Service Provider shall be liable for any Payment transaction if (i) you do not have enough money in the Funding Account to complete the transaction; (ii) a legal order prohibits withdrawals from your Account; (iii) the Funding Account is closed, has been frozen, or is otherwise not authorized to debit the corresponding Payment Amount; (iv) the transaction would cause your Account balance to go over the credit limit for any credit arrangement set up to cover overdrafts; (v) you, or anyone you allow, commit fraud or violate any law or regulation in connection with the Bill Payment Service; (vi) any electronic terminal, telecommunication device, or part of the electronic fund transfer system is not working properly; (vii) you did not provide complete and correct Funding Account, Payment, or Payee information; (viii) you did not properly follow the instructions or terms and conditions for use of the Bill Payment Service; (ix) you knew and/or had been advised that the Bill Payment Service was not operating properly at the time you scheduled the Payment; (x) there is a postal delay; or (xi) circumstances beyond the Service Provider's control (such as fire, flood, or improper transmission or handling by a third party) that prevent, hinder, or delay the transaction.

With the exception of the foregoing, if the Bill Payment Service incorrectly debits your Funding Account and/or directs funds from the Funding Account to a Payee inconsistent with the instructions you specified in the Scheduled Payment, the Bill Payment Service shall, upon detecting the error or receiving notice from you, be responsible for returning the improperly transferred funds to your Funding Account and/or redirecting funds to the proper Payee and/or contacting the Payee to request appropriate adjustments on your account with the Payee, except as otherwise provided under the Authorization sub-section below.

C. Your Responsibilities

You will be responsible for any Payment request you make that contains an error or is a duplicate of another Payment. Neither we nor the Service Provider is responsible for a Payment that is not made if you did not properly follow the instructions for making a Payment. Neither we nor the Service Provider is liable for any failure to make a Payment if you fail to promptly notify us after you learn that you have not received credit from a Payee for a Payment. Neither we nor the Service Provider is responsible for your acts or omissions or those of any other person, including any Payee or transmission or communications facility, and no such party shall be deemed to be our and/or the Service Provider's agent. In no event will we and/or the Service Provider be liable for any special, consequential, incidental, or punitive losses, damages, or expenses in connection with the Bill Payment Service, even if we and/or the Service Provider have knowledge of the possibility of them. Neither we nor the Service Provider is liable for any act, failure to act or delay in acting with respect to the Bill Payment Service if it is caused, in whole or in part, by any cause beyond our and/or the Service Provider's reasonable control.

D. Setting Up and Maintaining Payees

You must enroll in the Bill Payment Service prior to adding any Payees to your Payee List.. You may add, modify, or delete Payees as necessary. It is your responsibility to manage your Payee List and maintain accurate Payee information, such as but not limited to the address to which the Payee specifies Payments are to be delivered, your

account number with the Payee, the name on your account with the Payee, etc., except where the Bill Payment Service expressly indicates that it shall manage such Payee information, such as a Merchant's remittance address. Payees must reside or exist within the United States of America or its territories or commonwealths. The Service Provider and/or we reserve the right to refuse or remove a Payee for any reason.

E. Setting Up Payments

To schedule Payments, you must choose a Payee from your Payee List. You may schedule One-Time Payments and Recurring Payments to any of your Payees. It is your responsibility to cancel, skip, reschedule or revise a Scheduled Payment in accordance with the Payee's instructions to you, or as needed to ensure sufficient Available Funds in the corresponding Funding Account, or under circumstances where the Payee may return the Payment to the Service Provider due to any reason outside the Service Provider's or our control. The Service Provider and/or we reserve the right to refuse or cancel a Payment for any reason.

The earliest possible Payment Date/Withdraw On Date and Due Date/Deliver By Date for each Payee will be determined and presented by the Bill Payment Service when you schedule a Payment. The Bill Payment Service will not permit a Payment Date/Withdraw On Date or Due Date/Deliver By Date earlier than the earliest possible dates presented. The Bill Payment Service determines this earliest possible Payment Date/Withdraw On Date and Due Date/Deliver By Date based on the number of Business Days required to deliver a Payment to the Payee, which is primarily affected by whether or not the Payee has agreed to accept remittance of Payments electronically (typically one (1) or two (2) Business Days) or requires Payments be delivered by check (typically four (4) or five (5) Business Days). A Payee's location or policies for posting and crediting payments may require additional Business Days. Payments scheduled after the Bill Payment Service's "Cut-Off Time," as set forth in the Bill Payment Service site and/or in this Agreement, shall be processed no earlier than the following Business Day. The Service Provider and/or we may change the Cut-Off Time without prior notice.

You should carefully consider factors such as the Payee's payment due date, grace period, whether the Payee's payment due date falls on a non-Business Day, etc., when scheduling a Payment to avoid late payments and late fees. You must allow the necessary number of Business Days prior to the Payee's payment due date for each Payment, including each Payment of a Recurring Payment series. Some businesses take longer to post payments than others. You should consider allowing additional time for the initial Payment to a Payee through the Bill Payment Service in order to gauge the appropriate Payment Date/Withdraw On Date or Due Date/Deliver By Date in each case, and determine whether to allow an additional one (1) or two (2) Business Days to avoid incurring any late fee charged by the Merchant. It is your responsibility to schedule Payments appropriately and in accordance with the Payee's requirements. Neither the Service Provider nor we shall be responsible for late payments, nor to reimburse you for late fees, for any Payment delivered in accordance with your instructions, or as a result of a Payee's payment processing policies, or any other circumstance outside the Service Provider's control.

If a Payee accepts payments only by check, the Service Provider will send a check to the Payee. The check will be sent prior to the Payment Date/Withdraw On Date in order to ensure receipt by the Payee on or before the Due Date. The payment will be debited from your Funding Account when the Payee processes the check. The Payee may process the check sooner than the Payment Date/Withdraw On Date you select in the Service. You should ensure you have Available Funds in your Funding Account in the event the check is processed sooner than the Payment Date/Withdraw On Date.

Payments to Payees, businesses or individuals outside the United States of America or its territories or commonwealths using the Bill Payment Service are prohibited.

F. Limitations on Payments

In addition to the limits described elsewhere in this Agreement and in the applicable Deposit Account Agreement,

Payments that are associated with the Bill Payment Service are subject to a per transaction or per Payment dollar limit of \$9,999.99 and a total dollar limit of \$20,000.00 each Business Day, or as otherwise established by us from time to time. We may change the dollar limits at any time, without prior notice (other than any notice required by Applicable Law).

G. Editing or Cancelling Payments

Any Payment can be modified or cancelled, provided you access the Bill Payment Service prior to the Cut-Off Time on the Business Day that a Payment is going to be processed. Once a Payment is in-process, it cannot be cancelled through the Bill Payment Service. Instead, you must contact Customer Service to request a stop payment. A Recurring Payment may be edited or cancelled after processing for the then current Payment instance is complete.

H. Stop Payment

You may request to stop a Payment after a Payment has been processed by contacting us as set forth in the YOUR COMMUNICATIONS WITH ROCKLAND TRUST section of this Agreement. The Bill Payment Service's ability to stop a Payment successfully depends on how the funds were remitted to the Payee and the elapsed time since the Payment was processed. The Service Provider and we will make commercially reasonable efforts to stop a Payment per your request but shall have no liability if unsuccessful. You may be charged a stop payment fee for each request.

I. Exception Payments

Tax Payments and court ordered Payments may be scheduled through the Bill Payment Service; however, such Payments are discouraged and must be scheduled at your own risk. In no event shall we or the Service Provider be liable for any claims or damages resulting from your scheduling these types of Payments. The Service Provider shall have no obligation to research or resolve any claim resulting from any such Payment. All research and resolution for any misapplied, mis-posted, or misdirected Payments will be your sole responsibility.

J. Bill Payment Process

The Bill Payment Service will process Payments in accordance with the Payment instructions you provide. The Bill Payment Service will only process Payments on Business Days. The Bill Payment Service will debit your Funding Account and deliver those funds to the designated Payee on your behalf such that the funds arrive as close to the scheduled Due Date/Deliver By Date as is reasonably practicable. If you wish to have a Payment issued on an expedited basis to be mailed to your Payee on the next Business Day, it will be debited from your Funding Account and will be subject to a transaction limit of \$5,000.00. You will be charged an Convenience Fee of \$5.00 for making a payment on an expedited basis.

Numerous business and technical requirements determine if a Payee can accept Payments electronically, but in all cases, Payments can be remitted by check. The Service Provider shall have sole discretion to determine the appropriate remittance method. In order to process Payments efficiently and effectively, or otherwise comply with a Payee's remittance requirements, the Bill Payment Service reserves the right to change or update Payee data or alter the method of Payment remittance. Neither the Service Provider nor we shall be responsible for late Payments, nor to reimburse you for late fees, due to (i) U.S. postal or overnight carrier delivery issues; (ii) electronic remittance network issues; (iii) your Payee's payment processing procedures; (iv) instances where the financial risk associated with the Payment requires check remittance instead of electronic remittance or additional Business Days to ensure sufficient funds in the Funding Account are available; or (v) other circumstances beyond Service Provider's or our control.

K. Authorization

When you schedule a Payment, you expressly authorize the Service Provider and/or us to withdraw from your Funding Account the Payment Amount and to remit those funds to the designated Payee on your behalf, and additionally to debit your Funding Account for any applicable Bill Payment Service related fees. You further authorize us to credit your Funding Account for any Payment returned from or undeliverable to the Payee. In addition, you certify that the Funding Account is an Account from which you are authorized to make payments and incur debits.

You agree to have sufficient Available Funds on deposit in the designated Funding Account to process each Payment as requested by you, as well as any other payment obligations you have to us. We reserve the right, without liability, to reject or reverse a Payment if you fail to comply with this requirement or any other terms of this section. If you do not have sufficient Available Funds in the Funding Account and we have not exercised our right to reverse or reject a Payment, you agree to pay for such Payment obligations on demand. You further agree that we may, at our option, charge any of your Accounts to cover such Payment obligations. If you fail to pay such Payment obligations, you agree to pay our costs of collection, including reasonable attorney's fees, except as limited by Applicable Law. If Payments are processed against any uncollected deposit, uncollected balance, or otherwise insufficient Available Funds in the designated Funding Account, YOUR ACCOUNT WILL BE ASSESSED AND CHARGED THE APPROPRIATE OVERDRAFT, UNCOLLECTED, OR RETURNED ITEM INSUFFICIENT CHARGE. See our current Fee Schedule for the current amounts of these charges.

In addition, if you do not have sufficient Available Funds in the Funding Account and the Service Provider nevertheless pays a Payment as requested by you, you agree to pay such Payment obligations to us on demand, except as limited by Applicable Law.

The Service Provider and/or we reserve the right to suspend or discontinue the Bill Payment Service at any time while an overdraft exists in your Funding Account or if fraud or other misuse of the Bill Payment Service is suspected.

You authorize the Service Provider and us to contact your Payees to request appropriate adjustments consistent with your Payment instructions and/or as pertaining to the SERVICE GUARANTEE and YOUR RESPONSIBILITIES sections above, and/or to stop payment on any payment issued against your Funding Account in connection with the Bill Payment Service in the unlikely event that the Bill Payment Service remits funds incorrectly to any of your Payees, and/or to withdraw funds from your Funding Account in such event if you otherwise receive the benefit of the amount of such incorrectly remitted funds.

L. Returned Payments

In using the Bill Payment Service, you understand that Payments may be returned by or to the Service Provider for various reasons including: the account or account number at the Payee is not valid, the Payee address is not valid, the Payee returns or rejects the remittance item, the account at the Payee has been paid in full or has been turned over to another company or individual. The Bill Payment Service shall use commercially reasonable efforts to research and correct the returned payment or void the payment and credit your Payment Account. You may receive notification of such occurrences from the Bill Payment Service.

M. Termination by You

You may terminate the Bill Payment Service by written notice to us. Neither we nor the Service Provider is responsible for terminating any scheduled One-Time Payment nor Recurring Payment processed prior to a reasonable opportunity to act on your termination notice. Once your Bill Payment Service is terminated, all of your scheduled One-Time Payments and Recurring Payments shall be terminated as well. You remain obligated for all Payments made by the Bill Payment Service on your behalf under this section.

N. Fees

You agree to pay applicable fees related to the Bill Payment Service in accordance with any fee disclosed at the time of the related transaction or, if not specifically disclosed, in accordance with our Fee Schedule. In addition, we will assess charges in accordance with the Fee Schedule if you request one or more of the services listed here. There will be no charge for any item if needed to correct a Bill Payment Service error. Services for which such additional charges may be imposed include:

- Check Copy Mailed or Faxed to Customer or Bank (Research)
- Check Copy Mailed to Merchant (Research)
- Stop Payment
- Overnight Carrier Delivery Charge (Expedited Payment) per item (See Fee Disclosed within Bill Payment Service)
- Research Fee for items over eight (8) months old (Research)

We and/or the Service Provider reserve the right to charge you for research time involving Payments no longer available in your Payment history screen. You will be informed of any such charges before they are incurred.

O. Account Security

You are solely responsible for controlling the safekeeping of and access to your Login ID, password, or other means to access the Account and the Bill Payment Service, as well as Online Banking. You agree not to give out or make available your Login ID, password, access code, , or other access tools as applicable and as necessary to access your Account to any unauthorized individuals. You are responsible for all Payment transactions authorized by you or by anyone to whom you provide access to your Bill Payment Service and Account. You are liable for all Payment transactions you make or that you authorize another person to make even if that person exceeds his or her authority.

P. Electronic Mail (Email)

Sending email is a permitted way to communicate with us and/or the Service Provider regarding the Bill Payment Service. However, your email is actually sent via your own software and, as a result, may not be secure. Because of this, you should not include confidential information, such as Account numbers and balances, in any email communication. You cannot use email to initiate Bill Payment Service transactions. All such transactions must be initiated using the appropriate functions within the Bill Payment Service. Neither the Service Provider nor we shall be liable for any errors, omissions, claims, or problems of any kind involving your email. You should not rely on email if you need to communicate with us and/or Service Provider immediately (for example, if you need to report an unauthorized transaction from one of your Accounts). We and/or the Service Provider will take action in response to an email request sent by you upon actual receipt of your message and once we and/or the Service Provider have had a reasonable opportunity to act.

Q. Disclosure of Information

It is our policy to treat your Bill Pay Service information as confidential. However, the Service Provider and/or we may disclose certain information about you, your Accounts and/or Payments to third parties where permitted by Applicable Law and in situations such as: when necessary to complete a Payment transaction per your instructions; when necessary to activate additional services per your request; in order to determine credit worthiness; in order to comply with government agency or court orders, financial services regulations or law; or if you give us or the Service Provider written permission.

Information submitted to the Service Provider or its suppliers is the property of those parties, and they are free to use and disclose that information, or any ideas, concepts, know-how, or techniques contained in that information to

any third party for any purpose whatsoever, except as specifically agreed by us or prohibited by law.

R. Account and Contact Information

It is your sole responsibility to maintain accurate and complete contact information and Funding Account information in your user profile. This includes, but is not limited to, name, address, phone numbers and email addresses, and verifying account numbers. Changes can be made within the Bill Payment Service or by contacting Customer Service. Changes you make are typically effective immediately. Neither the Service Provider nor we shall be responsible for any payment processing errors or fees incurred if you do not provide accurate Funding Account or contact information.

MOBILE BANKING SERVICE

A. Enrolling in the Mobile Banking Service

In addition to accessing the Service through a desktop or laptop computer, you may also access the Service by using a Mobile Device. When you access the Service through a Mobile Device we refer to the Service as the “Mobile Banking Service.” We offer three means by which you may use your Mobile Device under our Mobile Banking Service. Here is how to enroll in each:

- **Mobile App.** To enroll, you must download our Mobile Banking Application (the “App”) from the App Store (for Apple devices) or Google Play (for Android devices) to your Mobile Device. If you use Online Banking you may use the same Login ID and password that you use for Online Banking to log in to the App.
- **Text Banking.** To enroll, you must log into Online Banking and enable your Mobile Device for Text Message Banking (under the Text Banking Tab, within Mobile Banking Settings).

To use the Mobile Banking Service, you must have a Mobile Device, which may be a mobile phone, tablet, or other equipment with the mobile carrier, operating system, data plan, software, and hardware supported by us now or in the future.

B. Mobile Banking Service Formats

As further described below, the Mobile Banking Service permits you to use a Mobile Device to perform certain transactions associated with your eligible Accounts with us (hereinafter, each a “Mobile Banking Account”). If you use the Mobile Banking Service in the form of SMS messages or Text Banking, you are solely responsible for the content of and the mis-delivery of any SMS text messages. You agree to provide accurate source indication (i.e., the Mobile Device’s mobile phone number for SMS messages) of any SMS messages sent by you. YOU ACKNOWLEDGE THAT THESE MESSAGES MAY INCLUDE INFORMATION THAT IS CONSIDERED CONFIDENTIAL UNDER FEDERAL AND STATE LAW, AND SOMEONE WHO HAS ACCESS TO YOUR SMS HISTORY OR EMAIL ACCOUNT MAY BE ABLE TO VIEW THE CONTENT.

Mobile App. The Mobile App permits you to access the Service and conduct certain transactions through an application that you download to your Mobile Device.

Text Banking. This feature of the Mobile Banking Service may be used to request information about your Mobile Banking Accounts. With this feature, you may send us a text/SMS message to request the information you need, and you will receive a text/SMS message reply with the balance and transaction information you have requested. With Text Banking, you text certain commands or codes to us to obtain the information you are requesting – e.g., text “BAL” to get balances on all of your Mobile Banking Accounts in reply. (Other commands or codes that may be used with this feature may be found at www.RocklandTrust.com). With this feature, no personal information is exchanged

(such as your full account number, PIN, or email address). You must be an Online Banking user to utilize Text Banking. We may send you by SMS only those communications directly relating to the Mobile Banking Service, including, without limitation, welcome messages, information, alerts, surveys, and other requests for information, to the extent permitted by and in accordance with Applicable Law and to the extent consistent with our Privacy Policy. We will not send you advertisements or promotions by SMS.

We or our affiliates may send you by email and/or by other methods communications relating to the Mobile Banking Service including, without limitation, advertisements and/or promotions to the extent permitted by and in accordance with Applicable Law and to the extent consistent with our Privacy Policy.

C. Mobile Banking Service Transactions

Subject to additional requirements discussed elsewhere in this Agreement, you may use the Mobile Banking to initiate transactions to or from your Mobile Banking Accounts that are available through the Service. When you initiate such transactions through Mobile Banking, they are considered to be a "Mobile Banking Transaction" under this Agreement. You may use Text Banking for Balance Inquiries, Internal Transfers and a limited transaction history.

Limitations on Mobile Banking Transactions.

- (i) Dollar and Frequency Limitations on Transfers and Transactions. In addition to regulatory limits discussed in your Account Agreement, we reserve the right to limit the frequency and dollar amount of Internal Transfers, External Transfers and/or Mobile Bill Payment Transactions initiated via your Mobile Device for security reasons. Those limits are the same as and will be combined with those that apply to transactions initiated via Online Banking, as further described in and in accordance with the INTERNAL TRANSFERS section, EXTERNAL TRANSFERS section, and BILL PAYMENT SERVICE section of this Agreement, respectively.
- (ii) You may make multiple transfers per day, subject to the limits set forth above and in the INTERNAL TRANSFERS section, EXTERNAL TRANSFERS section, and BILL PAYMENT SERVICE section of this Agreement, respectively.
- (iii) Mobile Device Limitations. The Mobile Banking Service and some Mobile Banking Transactions may not be available on all types of Mobile Devices. You also understand and agree that the Mobile Banking Service may not be accessible or may have limited utility over some mobile networks, such as while roaming.

D. Standard Messaging Service Charges

You understand that the standard data and text messaging rates charged by the Carrier providing service for your Mobile Device apply when you use your Mobile Device to enroll in and use the Mobile Banking Service.

E. Documentation

Mobile Banking Transactions will appear on your monthly Account statement.

ACCOUNT AND SECURITY ALERTS

The Service provides optional, voluntary Account and mandatory security alerts associated with certain modules of the Service.

Account alerts allow you to choose alert messages that are Account-based or date-based. We may add new alerts

from time to time or cancel old alerts. Each alert has different options available, and you may select from among these options upon activation of your alerts service. Alerts are subject to the following:

Electronic alerts will be sent to the phone number(s), email address(es), or Mobile Device(s) identified by you via Online Banking or on enrollment and/or set-up form(s). If your phone number(s), email address(es), or Mobile Device(s) changes, you are responsible for updating that information via Online Banking, and such change(s) will apply to all of your alerts.

You understand and agree that your alerts may be delayed or prevented by a variety of factors. We will use commercially reasonable efforts to provide alerts in a timely manner with accurate information. We neither guarantee the delivery nor the accuracy of the contents of any alert. You also agree that we shall not be liable for any delays, failure to deliver, or misdirected delivery of any alert; for any errors in the content of an alert; or for any actions taken or not taken by you or any third party in reliance of an alert. You agree that we are not responsible for any costs or fees incurred as a result of alerts directed by you.

The Mobile Deposit Service is designed to allow you to make deposits to any checking or savings account to which you have deposit rights (each such account hereinafter referred to as a "Mobile Deposit Authorized Account") from home or other remote locations by delivering the images and associated deposit information to the Bank or the Bank's designated processor. Each such deposit is referred to in this Agreement as a "Mobile Deposit Transaction." By using the Mobile Deposit Service, you authorize the Bank to convert checks to images or create substitute checks for the purpose of clearing the check. By using the Mobile Deposit Service, you authorize the Bank, or any affiliated companies, to request and obtain from time to time, credit reports or other information from any consumer reporting agencies. The Bank reserves the right to decline your request to use the Mobile Deposit Service for any reason. The Bank also reserves the right to change the Mobile Deposit Service at any time and in any manner in its sole discretion. Your continued use of the Mobile Deposit Service will indicate your acceptance of any such changes to the Mobile Deposit Service.

Limitation of Mobile Deposit Service. There is a daily Mobile Deposit Transaction limit which is presented when you login to complete a Mobile Deposit. When using the Mobile Deposit Service, you may experience technical or other difficulties. We are not responsible for any technical or other difficulties or any resulting damages that you may incur. We reserve the right to change the qualifications at any time without prior notice. We reserve the right to change, suspend or discontinue the Mobile Deposit Service, in whole or in part, or your use of the Mobile Deposit Service, in whole or in part, immediately and at any time without prior notice to you.

Eligible Checks. You agree to deposit only checks as that term is defined in Federal Reserve Regulation CC ("Reg CC"). You agree that you will not use the Mobile Deposit Service to deposit any checks as shown below:

- Checks payable to any person or entity other than you.
- Checks that are payable in the name of your business and another party.

- Checks that are payable to cash.

Image Quality. The image of a check transmitted to the Bank using the Mobile Deposit Service must consist of legible images of the front and back of the check. The image that is transmitted must be of such quality that the following information can easily be read by sight review of the image:

- The amount of the check;
- The payee;
- The drawer's signature;
- The date of the check,
- The check number;

We are not responsible for check images we do not receive or for images that are dropped or become corrupted or illegible during transmission. An image of a check shall be deemed approved when you receive a confirmation email from the Bank that we have received and approved the check image.

Receipt of such confirmation does not mean that the transmission was error-free, or that your Mobile Deposit Authorized Account will not be charged back for the amount of the deposit and any applicable returned deposited item or other fee under the Account Agreement if the check image presented is dishonored or returned unpaid for any reason by the financial institution on which it is drawn.

Availability of Funds. Funds deposited using the Mobile Deposit Service and approved before 7:00 PM Eastern Time will have next-day availability in accordance with the Funds Availability Policy in the Account Agreements. Disposal of Approved Checks. Upon proper clearing of funds and confirmation of your deposit from Rockland Trust, you agree to prominently mark the check as “Electronically Presented” or “VOID” and to properly dispose of the check by commercially reasonable means (such as shredding the check) to ensure that it is not presented again for payment. You agree any check that has been processed through the Mobile Deposit Service will not be presented by you again. You will promptly provide any retained check, or a sufficient copy of the front and back of the check, to the Bank as requested to aid in the clearing and collection process, to resolve claims by third parties with respect to any check or check image, or for the Bank’s audit purposes.

Limits. There is currently no limit on the number of Mobile Deposit Transactions you may initiate. However, we reserve the right to impose limits on the amount(s) and/or number of Mobile Deposit Transactions that you make using the Mobile Deposit Service and to modify such limits from time to time. The Bank does not accept Mobile Deposit Transactions above the limits that we establish for your Mobile Deposit Authorized Account. If we do permit you to make a Mobile Deposit Transaction in excess of these limits such Mobile Deposit Transaction will remain subject to the terms of this Agreement. If we permit a Mobile Deposit Transaction in excess of these limits it does not obligate us to do so in the future.

You agree that any stop payment request shall be null and void after six (6) months from the date of the order, or such earlier time as communicated by us to you. You agree to

provide all required information relating to stop payment requests. If you fail to provide us with complete information or if the information you provide is incorrect, you agree that we shall not be responsible for any failure to stop payment on such item. You understand that if the stop payment request comes too late for us to have a reasonable time to act on it prior to paying, settling for, posting or becoming accountable for the check described in the request, then your stop payment request shall be of no effect. You agree not to make a claim against us if the check is paid through inadvertence, accident, oversight or if we are required to pay such check by a holder in due course or if by reason of such payment, other items drawn on your Account(s) are returned insufficient. You agree to indemnify and hold us harmless from and against any and all losses, damages and expenses, including court costs and attorney's fees, incurred by us due to our refusal of payment of any check or other item in accordance with your instructions.

Bill Payment requests submitted after 4:00 PM Eastern Time are considered part of the next Business Day. We reserve the right to change these Cut-Off Times. You will receive notice if they change in accordance with Applicable Law.

YOUR LOGIN ID, PASSWORD AND OTHER SECURITY PROCEDURES

You will be required to use a Login ID assigned to or selected by you, as well as a password selected by you, each time you log-in to use Online Banking. You agree that we may rely on your Login ID, password, and other security procedures, as further described in this Agreement and in our "Online Banking Security Procedures Disclosure" as provided to you upon enrollment in Online Banking and as we may modify in our sole and exclusive discretion from time to time, to identify and authenticate you when you use the Service (hereinafter, collectively the "Security Procedures"). You agree to protect the Security Procedures to prevent unauthorized use.

You understand that the Security Procedures include "enhanced log-in security" to access Online Banking and perform certain transactions as described in this Agreement. Enhanced log-in security incorporates a multi-part credential for each user of Online Banking that is in addition to Login IDs and password security. It incorporates an additional factor(s) of identity authentication that may include, but is not limited to, additional log-in security features such as security cookies and one-time passcodes. The enhanced log-in security will require each user of Online Banking to establish and utilize, in addition to individual Login IDs and passwords, his/her own individual authentication by selecting a preferred out-of-band delivery channel for one-time pass-codes.

Additional required and/or optional Security Procedures may apply to you and/or to different Online Banking features. Any such additional required and/or optional Security Procedures will be described in this Agreement and/or our Online Banking Security Procedures Disclosure.

We will execute authenticated transfers or transactions that are in conformity with all Security Procedures and other requirements set forth in this Agreement. We may require additional authentication of any transfer or transaction request. We reserve the right to reject a transfer or transaction request that cannot be properly authenticated.

Except as is more fully discussed in this Agreement, you understand and agree that you are responsible for all transfers and payments made through the Service using the Security Procedures. You also acknowledge and agree that if you permit another party(ies) to use the Security Procedures to access the Service, or otherwise authorize them to use the Service, you are responsible for any and all Online Transactions that the party(ies) makes from your Account, even if it exceeds your authorization. Subject to the terms of this Agreement, we may follow and comply with any transfer instructions entered into the Service using the Security Procedures.

You acknowledge and understand the importance of your role in preventing misuse of your Accounts through

Online Banking. You agree that it is your sole responsibility to protect the confidentiality of your Account and Account number(s), the Security Procedures, and your personal identification information, such as your driver's license number and social security or tax identification number. You should not use a public computer to access Online Banking. You agree that if you access the Service from a computer other than your own (such as a public computer terminal at a library or Internet café), you will not register the public computer and you will not leave the computer unattended while using the Service. You also agree that, in such situations, you will always end your session using the Service by clicking on the LOG OFF button. We will not be liable to you for any losses that may result from your failure to follow these security provisions.

You understand that personal identification information, by itself or together with information related to your Account(s), may allow unauthorized entry and access to your Account. Data transferred via Online Banking is encrypted in an effort to provide transmission security, and Online Banking utilizes identification technology to verify that the sender and receiver of Online Banking transmissions can be appropriately identified by each other.

We will never email you to request your Login ID and password or your personal Account information over the Internet. If you suspect that an unsolicited email of this nature is fraudulent, please contact us.

ONLINE BANKING SECURITY PROCEDURES DISCLOSURE

The following Security Procedures apply to access by all customers, except as otherwise expressly provided, to Rockland Trust’s Online Banking Service as of the above date, including the Mobile Banking Service feature of Online Banking. The Bank may issue new Security Procedures and/or cancel or change any Security Procedures from time to time. You acknowledged that the Security procedures are a commercially reasonable method for the purpose of verifying whether any payment, transfer or other use of the Service was initiated by you.

Except as may otherwise be noted, the following Security Procedures are required for all Online Banking Service customers:

Login ID: This is the electronic identification (in letters, numerals, and special characters) associated with each user of the Online/Mobile Banking Service that will be used for log-in.

Password: Each user of the Online/Mobile Banking Service will also be required to have a unique password known only to the user. Passwords are case-sensitive and must meet certain requirements, including, but not limited to, minimum and maximum length and types of characters, as further described in the Online/Mobile Banking system.

Each user is required to change his or her individual password from time to time for security purposes and on a frequency established by the Bank. Login IDs and individual passwords may not be shared with any other person or entity.

Enhanced log-in security incorporates an additional multi-part credential for each user of Online Banking of identity authentication that may include, but is not limited to, additional log-in security features such as security cookies and one-time passcodes. The enhanced log-in security will require each user of Online Banking to establish and utilize, in addition to individual Login IDs and passwords, his/her own individual authentication by selecting a preferred out-of-band delivery channel for one-time pass-codes that may be required from time to time at log-in.
